Verify provider par status and patient eligibility & benefits

Members do not verify provider par status. The provider would contact SISCO with the information on the ID card.

General rules for Maverest providers

- Always submit your usual fee, not the Maverest contracted fee.
- Always verify patient eligibility and benefits.
- Participation can be verified by Customer Service or on the website.
- Network participation is identified on EOB/PTE.
- Maverest dentists accept Maverest allowed fee, unless directly contracted with the carrier's network.
- Each carrier has the option to exclude a specific dentist at its own discretion.
