

Companion Life

In network through Stratose

Eff 5/15/15

Verify provider par status and patient eligibility & benefits

Refer to patient's ID card for contact information

Additional important info

- The program is a passive PPO plan and there are no benefit differentials and claims will be paid as in network for Stratose.
- Companion Life's true PPO claims will not be coming to Stratose at this time.
- Network name will appear on EOB. Submit all claims to the patient's Insurance Plan.

General rules for Maverest providers

- Always submit your usual fee, not the Maverest contracted fee.
- Always verify patient eligibility and benefits.
- Participation can be verified by Customer Service or on the website.
- Network participation is identified on EOB/PTE.
- Maverest dentists accept Maverest allowed fee, unless directly contracted with the carrier's network.
- Each carrier has the option to exclude a specific dentist at its own discretion.
