Verify provider par status and patient eligibility & benefits

ID cards are specific to the members plan with a designated phone # to call for benefits and eligibility. Refer to patient ID card.

Additional important info

- Dentist should call Humana to confirm if there is out of network coverage.
- If there is none, then the patient must pay the full amount charged by the Maverest dentist.
- Preferred/Plus network included only; Dentists contracted with ONLY the Basic program are excluded from network.

General rules for Maverest providers

- Always submit your usual fee, not the Maverest contracted fee.
- Always verify patient eligibility and benefits.
- Participation can be verified by Customer Service or on the website.
- Network participation is identified on EOB/PTE.
- Maverest dentists accept Maverest allowed fee, unless directly contracted with the carrier's network.
- Each carrier has the option to exclude a specific dentist at its own discretion.
